

Here's what our students are saying:

- Sacred Heart is a Catholic school which means we get to learn about God each day.
- The faith taught to us makes us better people.
- The teachers are terrific and really care about the students.
- We do many science experiments and projects.
- New students make friends quickly because everyone at Sacred Heart is nice, friendly, and welcoming.
- We love using the interactive projectors in our classrooms.
- We have a new gym for PE classes and an outstanding new library.
- Our Priests and Deacons come to our class and teach us about the saints.
- The teachers are great because they work with you if you're struggling with a subject and don't quit until you get it.
- I like Grandparents Day, Red Ribbon Week and 8th grade outdoor ed.
- Our school is exciting and full of joy.
- I feel well prepared for high school.
- I like the emphasis on community service and helping others.
- No one is left out at our school.
- We have a great Student Council and after-school activities.
- I like learning Spanish.
- Our sports teams are very good and have won numerous titles.
- I like our new dining room and Parish Center.
- I like performing on our new stage.
- We go to Mass at least once a week with our class.
